Mr. Dunbar D. Scott,

Hartford, Conn.

Dear Sir:

Mr. Moritz Wormer asked us if we could find out anything about the Numismatic Society of New Haven. Outside of having a white metal medal of this organization in our collection we have nothing about this Society. About two years ago Mr. Shepard Pond in writing a history of the Boston Numismatic Society and ourselfes looked through our records to see what we might have and found absolutely nothing.

I think Mr. Pond also made inquiries in Connecticut but to no avail. I am sorry I cannot help you out.

Very truly yours,

Curator
